Mixbrow Limited - Carbon Reduction Plan

Supplier name: Mixbrow Limited
Publication date: 03/11/2026

Commitment to achieving Net Zero:

Mixbrow Limited is committed to achieving Net Zero emissions by 2050.

Baseline Emissions Footprint

Baseline emissions are a record of the greenhouse gases that have been produced in the past and were produced prior to the introduction of any strategies to reduce emissions. Baseline emissions are the reference point against which emissions reduction can be measured.

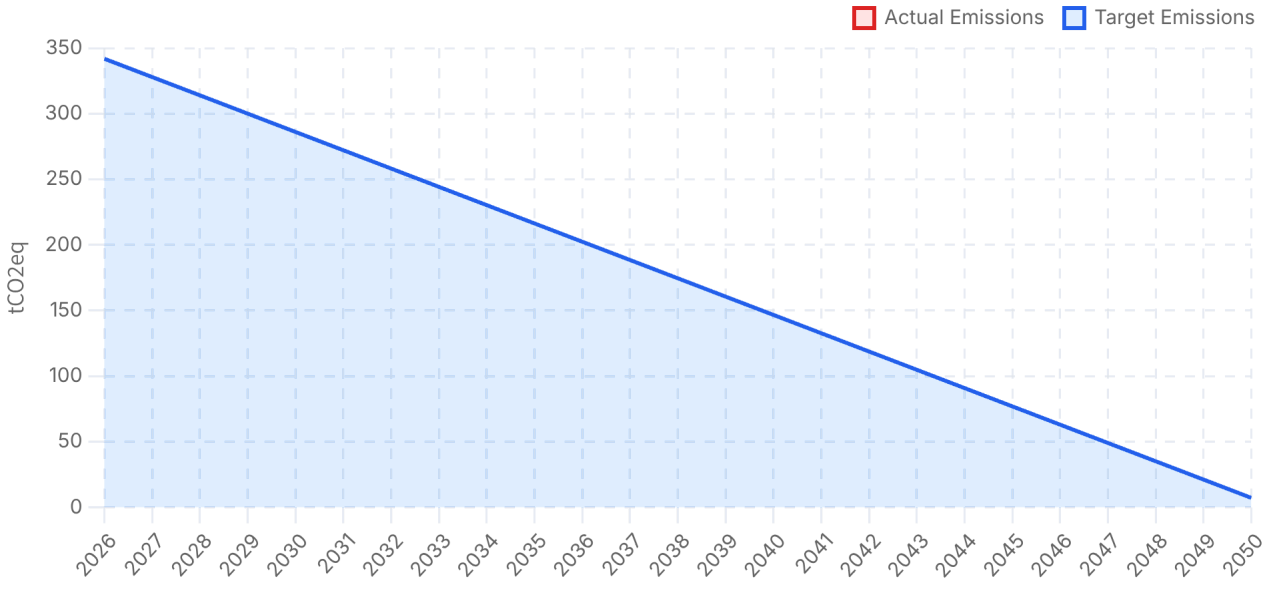

Baseline Year	2026	
Emissions	**Total (tCO2eq)**	**Per Employee (tCO2eq)**
Scope 1	248.54	3.60
Scope 2 (market)	21.76	0.32
Scope 2 (location)	14.01	0.20
Scope 3	71.54	1.04
Total Emissions	341.84	4.95
Reporting Method	Our total emissions take market based emission factors into account to reflect our purchasing power	
Included Sources	Scope 1 covers Stationary Combustion Emissions, Fugitive Emissions and Mobile Combustion. Scope 2 covers Purchased Electricity. Scope 3 covers Purchased Goods and Services (1), Capital Goods (2), Fuel- and Energy-Related Activities Not Included in Scope 1 or Scope 2 (3), Waste Generated in Operations (5) and Employee Commuting (7).	

Current Emissions Footprint

Current Reporting Period	2026	
Emissions	**Total (tCO2eq)**	**Per Employee (tCO2eq)**
Scope 1	248.54	3.60
Scope 2 (market)	21.76	0.32
Scope 2 (location)	14.01	0.20
Scope 3	71.54	1.04
Total Emissions	341.84	4.95
Reporting Method	Our total emissions take market based emission factors into account to reflect our purchasing power	
Included Sources	Scope 1 covers Stationary Combustion Emissions, Fugitive Emissions and Mobile Combustion. Scope 2 covers Purchased Electricity. Scope 3 covers Purchased Goods and Services (1), Capital Goods (2), Fuel- and Energy-Related Activities Not Included in Scope 1 or Scope 2 (3), Waste Generated in Operations (5) and Employee Commuting (7).	

Emission Reduction Targets

Mixbrow Limited is committed to reducing its greenhouse gas emissions in line with a pathway to net zero. For its current near-term target cycle, from a 2026 base year to a 2030 target year, Mixbrow Limited aims to reduce absolute Scope 1 emissions by 16.8%, Scope 2 emissions by 16.8%, and Scope 3 emissions by 16.8%. These near-term targets support the company's longer-term emissions reduction pathway towards net zero by 2050.

Carbon Reduction Actions

Mixbrow Limited is committed to reaching net zero greenhouse gas emissions by 2050.

We will prioritise reductions in greenhouse gas emissions across our operations and value chain. We will establish near-term emissions reduction targets to support continued progress towards our long-term emissions reduction goals.

In the long term, we aim to reduce Scope 1 emissions by 100%, Scope 2 emissions by 100%, and Scope 3 emissions by 90% in line with our net-zero pathway. Any residual emissions remaining once these long-term reductions have been achieved will be neutralised through appropriate carbon removals in order to achieve net zero.

At the end of each near-term target cycle, we will establish the next near-term target using the applicable methodology and our latest emissions data, maintaining our trajectory towards our long-term emissions reduction goals and net-zero target.

Declaration and Sign Off

This Carbon Reduction Plan has been completed in accordance with PPN 006 and associated guidance and reporting standard for Carbon Reduction Plans.

Emissions have been reported and recorded in accordance with the published reporting standard for Carbon Reduction Plans and the GHG Reporting Protocol corporate standard[1] and uses the appropriate Government emission conversion factors for greenhouse gas company reporting[2].

Scope 1 and Scope 2 emissions have been reported in accordance with SECR requirements, and the required subset of Scope 3 emissions have been reported in accordance with the published reporting standard for Carbon Reduction Plans and the Corporate Value Chain (Scope 3) Standard[3].

This Carbon Reduction Plan has been reviewed and signed off by the board of directors (or equivalent management body).

Signed on behalf of Mixbrow Limited:

Stuart Leech
